RE: Petition Nonsubstantive Revision Request for Ownership Change of the Frio Sand Injection
Interval at the Beaumont, Texas facility - WDW-188

Dear Mr. Clark:

This letter is in response to your November 12, 2015, notification of an ownership change for the Frio Sand Injection Interval at the Beaumont, Texas facility (WDW-188) from E.I. DuPont de Nemours & Co., Inc. to The Chemours Company FC, LLC which occurred on April 28, 2015. The Agency agrees this change does not affect the approved petition reissuance demonstration and is a nonsubstantive revision. Therefore, the Agency has modified its files to reflect the ownership change mentioned above. The approval conditions of EPA's November 21, 2001, petition reissuance and the December 12, 2001, nonsubstantive revision provisions are still in effect. If you have any questions or comments, please call Brian Graves at (214) 665-7193.

Sincerely yours,
